Fiscal Analysis

ASSUMPTIONS:
Montana State Library (MSL) SB 129 is clarifying an existing law, which will allow libraries established by a library district to be eligible for state aid. The state aid appropriation will not change so there is no fiscal impact for the MSL. State aid to libraries is provide through base grants, which support cooperative activities and support to the six library federations in the state.

TECHNICAL NOTES:
Possible drafting error in section 22-1-707, NEW SECTION, Section 10. Section 10 lists “Title 27” as the area the amendment should be codified, should read “Title 22”.
